24.5 To accomplish its mission, the Department takes the following core approaches in its work: strategic working relationships with the substantive departments and offices of the Secretariat and organizations of the United Nations system; enhanced use of the latest information and communications technologies in both traditional and new media in order to deliver information directly and instantaneously worldwide; the building of stronger grass-roots support through partnerships with civil society organizations; and the promotion of multilingualism and the parity of official United Nations languages in the preparation of news and communications products. The Department also provides information services to delegates and staff through the Dag Hammarskjöld Library and promotes knowledge-sharing and internal communication by way of iSeek, the United Nations intranet.
